

Community Emergency Response Team (CERT)

Do you want to help your neighbors and co-workers in a disaster such as an earthquake, fire, flood disaster, or other disasters?

If so, then here is your opportunity to be trained with others in your community so that we can all be prepared for the next disaster!

Wednesday March 26, 2014
Friday March 28, 2014
Saturday March 29, 2014

Wednesday/Friday training 5pm to 9 pm

Saturday training 10 am to 2 pm

Location: Holtville Civic Center

121 W 5th Street

Holtville, CA

Register at 760-356-2912

The Community Emergency Response Team (C.E.R.T.) Program educates citizens about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, C.E.R.T. members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help. C.E.R.T. members also are encouraged to support emergency response agencies by taking a more active role in emergency preparedness projects in their community.
